HOBART

190 YEARS *of Stories*

WEBB'S ABOUT TOWN

Adam's Single Malt Whisky, Old Kempton Apple Liqueur, Lillet Blanc
An entrepreneurial, former-convict and talented confectioner who owned the hotel in the mid-1800s. Webb introduced many innovations to the hotel, including Tasmania's first ice creams in 1850 and Tasmania's first roller skating rink in 1867.

ETHEL'S ANTIDOTE

Spiced Rum, Lemon, Honey, Wattle
Described as 'every digger's sweetheart', Ethel Campbell MBE became beloved for meeting and farewelling troops during the first world war. When she visited Hobart in 1923, she was taken to Hadley's in a car drawn by cheering returned soldiers.

AMUNDSEN'S FROST

Coconut Rum, Alize, Cream, Lime, Pineapple
A daring Norwegian explorer who stayed at Hadley's direct from discovering the South Pole. When his achievement became known, congratulatory telegrams poured in. Tasmanian journalists were so desperate for an interview they tried to break down the door of his hotel room!

A range of classic and seasonal release cocktails are available.
